PROSPECTSENTINEL

Freight prospecting with a clear next step

Get an account brief, prepare a useful conversation and keep the next commitment visible. Start with Core and add depth as your book grows.

---

01 **GET STARTED WITH ONE ACCOUNT**

Guided onboarding takes you through account selection, a concise brief and a dated next action.

02 **WORK YOUR DAY IN TODAY**

See follow-ups and account priorities, then keep contacts, notes and pipeline context connected.

03 **ADD RESEARCH WHEN YOU NEED IT**

Pro adds deeper research, cadences, coaching and Discovery starter access.

04 **CHOOSE SPECIALIST TOOLS**

Optional Discovery and Quote & Cover packs support company exploration, lane rates, carrier matching and quote preparation.

INDIVIDUALS AND PER-SEAT TEAMS

Core $49/month. Pro $99/month. Core Team $59 and Pro Team $109 per contributor/month, three minimum. Discovery +$29 and Quote & Cover +$39 per assigned user/month. Paid plans use assisted setup.

NEW / REVIEWED ACCOUNT WORKFLOWS

Account agents prepare internal next actions for approval. Source-linked knowledge supports the next review. Read-only MCP brings saved context into a compatible AI assistant such as Codex.

START A 14-DAY CORE TRIAL. NO CREDIT CARD.

Account agents, knowledge and MCP are controlled previews requiring activation. They are not included in the standard demo or trial.
